

Subject: Invitation to the Technical Assistance workshop on Key Challenges in Reimbursing Depositors, 10 – 11 May 2023

Dear all,

Under the aegis of Central Bank of Tunisia, the Fonds de Garantie des Dépôts Bancaires (FGDB) along with the International Association of Deposit Insurers (IADI) is pleased to invite you to participate to the Technical Assistance workshop on Key Challenges in Reimbursing Depositors, scheduled to take place in Tunisia, from Wednesday 10th and Thursday 11th May 2023.

The main objectives of the workshop are to discuss the key challenges that the DIA's have faced or are to face in reimbursing their depositors.

Looking ahead, the workshop aims to distil insights from IADI members' experiences that can inform and encourage further enhancement of our reimbursement framework.

As such, the workshop will cover the issue of operational and technical aspects. The event will close with a discussion on ways to overcome the challenges in making payout operations more efficient for financial stability and depositors' protection.
